

# Certificate in Community Mental Health

STEP TOWARDS A BRIGHTER FUTURE

## Description

The certificate in the Mental Health program is a curriculum made to complement a student's professional skills in the healthcare field. Students will acquire the knowledge and skills they need to assist individuals who have mental health issues. This program is an introduction to mental health and focuses on Psychosocial Rehabilitation (PSR). The graduated student will be able understand the key methods available to assist individuals with mental illnesses, helping them adjust in their work and social environments.

## Job Opportunities

- Mental health facilities
- Residential long term care facilities
- Extended care facilities
- Assisted living facilities
- Group homes

## Wages

\$20.19 – \$29.00

## Program Admission Requirements

The applicant must have successfully completed the Health Care Assistant, Community Support Worker, or other health related regulated program.
