ABOUT WCC

Western Community College has been transforming communities through its quality education since 2012. Through our diverse range of **60+ undergraduate, postgraduate, and bachelor's programs**, students have found success and fulfillment as they pursue and advance careers in healthcare, hospitality, accounting, information technology, and business management.

OUR MISSION

Western Community College provides access to higher education opportunities that enable students to **develop knowledge and skills** necessary to achieve their professional goals, improve the productivity of their organizations and provide leadership for their community.

STUDENT SERVICES

MORE THAN BOOKS AND NOTES

EXPLORE THE #WCCCLIFE

We go beyond academics to ensure our students have access to a comprehensive range of support. Student Services is committed to empowering personal, academic, and professional growth. We aim to create a supportive learning environment, making your time at WCC academically enriching and fulfilling.

From academic support and career counselling to financial aid options, childcare services, and disability support, we prioritize inclusivity, offering equal opportunities for every student to thrive.

Academic Support

Benefit from robust academic support, including peer tutoring and access to comprehensive library resources

Housing Support

Locating affordable accommodations, & providing resources for off-campus living

Counselling Support

Access counseling services through programs like Here2Talk

Financial Support

Explore diverse financial support options, including scholarships, & bursaries

Celebrations & Festivities

Participate in vibrant festivals fostering a sense of community

ACADEMIC & COMMUNITY PARTNERS

We are proud to collaborate closely with a diverse array of community and academic partners with **local businesses, nonprofit organizations, and government agencies**, enriching the educational experience for our students.

COMMUNITY EFFORTS

“

We believe in the transformative power of education to shape not only careers but compassionate individuals. Our commitment to community efforts reflects our belief in contributing to a better world

WHERE LEARNING MEETS SERVICE

Our commitment extends beyond the classroom, reaching into the heart of the communities we serve. Through various initiatives and community outreach programs, WCC actively contributes to the well-being and development of our local communities.

Community Engagement

Actively engaging in volunteer projects, collaborating with local businesses

Social Responsibility

Instilling a sense of social responsibility in our students to give back to the community

Cultivating Compassion

We foster a culture where students also develop compassion to make a difference in the community
